

Application Number: 10/577,055

Date of faxing: 10/10/2007

REMARKS

The applicant amended the specification and added the cross-related applications section as requested by the examiner.

The applicant amended the abstract as requested by the examiner. A clean version of the abstract is also included.

The applicant amended claims 1 and 53 as requested by the examiner and removed all "constructing", "constructor" and "constructing device" phrases as requested by the examiner.

The applicant canceled claim 29.

Reconsideration of the application in view of the amendments and the remarks is respectfully requested.

Respectfully submitted
/Dan Raphaeli/
